*"Being a Gap Year intern was one of the most sanctifying and sweetest seasons of my life. I had the blessing of serving a tight-knit community of like-minded believers as they prepared to go overseas, by means of teaching their children... about the Bible and various countries around the world. I loved the genuine relationships that were formed as we grew alongside each other in our spiritual disciplines... and in our adventures on and off campus.... you will realize that one-year flies by too quickly."*
